

CLEAR₂GO Water Bottle with Filter

www.clear2o.com

Customer Service: 1-866-667-0266

USING YOUR CLEAR₂GO WATER BOTTLE WITH FILTER

1. Twist lid counterclockwise to unscrew and remove.
2. Fill bottle with water from any tap or drinking fountain.
3. Replace lid, screwing clockwise to tighten firmly.
4. Open the spout, tilt the bottle and squeeze gently to get a past flow of clean, filtered water.

Note: For best results, change water in the CLEAR₂GO water bottle with filter daily.

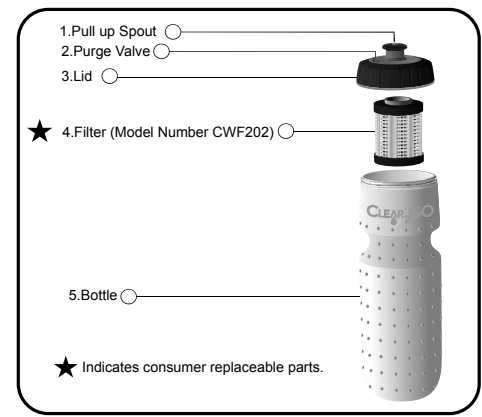

REMOVING / REPLACING YOUR CLEAR₂GO FILTER

1. Remove lid from bottle.
2. Grasping the filter with one hand and the lid with the other, unscrew the filter from the lid.
3. To replace, simply dispose of the old filter and screw a new filter in place.
4. Fill bottle and replace lid; squeeze first bottle of water into a sink to rinse the filter and your CLEAR₂GO water bottle with filter is ready again!

CLEANING

1. Remove lid from bottle.
2. Remove filter from lid .
3. The lid and bottle can be washed by hand in warm soapy water and rinsed, or they maybe washed in the top track of your dishwasher.

Important: Do not wash the CLEAR₂GO filter. Never place filter in the dishwasher.

Model
□ CWB200

BEFORE FIRST USE

- Remove all the packing material and any stickers from product.
- Remove and save this instruction sheet.
- Remove filter as instructed below and wash bottle and cap with mild soap and any dust or residue left from manufacturing. Do not wash filter.
- Fill bottle with water, replace the filter in the lid as instructed below and squeeze full bottle of water into a sink; this will clean any dust or residue left in the filter from manufacturing.

WARNING : DO NOT PLACE FILTER IN DISHWASHER
Important: Always inspect the purge valve for obstructions or a deformed seal after cleaning, before reassembling the bottle and using again.

Need Help?

For service, repair or any questions regarding your water filtration product, visit our website at www.clear2o.com or call 1-866-667-0266.

This product has a 90-day Limited warranty (which applies only in the United States and Canada) when strictly used in accordance with instructions to filter municipally treated / private well, potable tap water.

What does it cover?

- Any defect in material or workmanship.

For how long?

- 90 days after the date of original purchase.

What will we do to help you?

- Provide you with reasonably similar replacement product.

How do you get service?

- Save your receipt as a proof of the date of sale.
- Check our online service site at www.clear2o.com or call our toll-free number 1-866-667-0266 for general warranty service.

What does your warranty not cover?

- Damage from commercial use.
- Damage from misuse, abuse or neglect.
- Products that have been modified in any way.
- Products used or serviced outside the country of purchase.
- Shipping and handling costs associated with the replacement of the unit.
- Consequential or incidental damages (please note, however, that some states do not allow the exclusion or limitation of consequential or incidental damages, so this limitation may not apply to you)

How does state law relate to this warranty?

- This warranty gives you specific legal rights, and you may also have other rights from state to state or province to province.

DO NOT USE THIS PRODUCT WITH WATER THAT IS MICROBIOLOGICALLY UNSAFE OR OF UNKNOWN QUALITY WITHOUT ADEQUATE DISINFECTION BEFORE OR AFTER USING THIS SYSTEM.

System tested for cyst reduction maybe used on disinfected waters that may contain filterable cysts.
